About This Game

CortexGear: AngryDroids:

IN CORTEXGEAR: ANGRYDROIDS, YOU PLAY AS:

An alien (main character) hacker who take control of a CortexGear (A robot with an implanted brain) in order to eradicate angry droids. The alien is one of the last survivors from a Cortex war (A war based on hacking the opponent) against the AngryDroids. The alien is also from an upgraded generation of CortexSoldiers (Soldier with great hacking abilities), the generation that ended the ultimate CortexWar against mankind. Discover the extra-terrestrial true origin through the game's story, in a world infested by angry droids.

To get and know more about the story, you should visit the game's website page. The full story of the game is placed there.

BRAVE THE GAME WITH YOUR SKILLS AND REFLEXES

CortexGear: AngryDroids is a challenging action-adventure game where you have to think logically to find your enemy's weaknesses, to trick your enemies with traps and solve draconic puzzles. You will also be hacking computers, master the use of

tricks and combos, because the places are vast and hostile. The way forward is not always clear, and death will meet you as soon as you let your guard down, but be brave, fight well and explore carefully, because droids are angry, and share none of your weak human emotions. No pity.
